To Whom It May Concern:

My name is Mike Sxxxxxxx and I am the proprietor of two Family Entertainment facilities. One is located in Bxxxxxxx GA and the other is in Lxxxxxxxxx, GA. After doing research I decide to contract Entertainment Technology Inc. to do the video automation system for the first location to open in Buford. They did such a great job that when I decided to open my second location there was no doubt who I would call to take care of my video system.

Entertainment Technology not only helped me understand what I needed to have the most efficient system but their expertise helped me get the most for my investment. They had great ideas on what my facilities needed.

After the job was completed I was very satisfied that the work was done in a very professional manner and the work was top quality. I can call the office at any time with the smallest question and they are always willing to take my calls. They stand behind their work 100%! I have not had too much to go wrong but if there was a problem they were there immediately to take care of it.

I would highly recommend the service of Entertainment Technology, Inc. If you would like to speak with me I can be reach at xxx-xxx-xxxx.

Sincerely,

Mike Sxxxxxxx
